In another case of loot of public money, huge stash of cash and jewellery have been seized from the residence of a BBMP officer. Under the 40% commission BJP sarkara, large—scale corruption has thrived. BJP candidates are seen distributing huge amounts of money for their campaigns. The people of Karnataka understand where this money is coming from. : K.C. Venugopal Ji

"2 crore jobs per year" — 9 years since, were 18 crore jobs generated?

PATNA: CONGRESS DARPAN

Millions of unemployed youth from across India, and especially Karnataka, are feeling a deep sense of despair because of the Prime Minister's betrayal.

This needs to change, and now. The Congress party has now taken it upon itself to help the youth out of this misery.

In Karnataka, we have GUARANTEED:

1. ₹3,000/month to Graduates
