Shri Rahul Gandhi meets the family of Late Shri Shareef VV who lost his life in a tragic road accident in Wayanad, and wishes for the speedy recovery of those injured. Rahul Ji had interacted with Shareef ji during his visit to Wayanad last year.

## Wayanad: A Land Of Emotions...

### PATNA: CONGRESS DARPAN

The Indian national congress leader Mr. Rahul Gandhi on 21st March in Wayanad handed over the keys of the houses to the beneficiaries. Mr. Gandhi shared his heartfelt emotions on the occasion of key handover ceremony that it is a collective work of party leaders, workers, civil society and the people of Wayanad. This work is done by the love and attachment of the people of the region. He says that it seems we are a part of a big family.

Mr Gandhi attended the "Golden Jubilee Celebration" of Fatima Mata Mission Hospital. Addressing the event he praised the nurses from Kerala by saying that Kerala has shown to the world the spirit that the state believes in and lives. Kerala nurses help patients all over the world. The spirit has helped to build huge cities in the middle east. Wherever you go you demonstrate this spirit and make our country very proud. It is something that I have come to experience.

Mr. Gandhi expressed his ecstasy with students from Jawahar Navodaya Vidyalaya and said that he has seen the extreme curiosity in the twinkling eyes of the little heroes the bright future of the country.

# Birth Anniversary Of Ustad

**PATNA: CONGRESS DARPAN**

The Indian national congress remembers Bismillah Khan the Ustad of Shehnai on his birth anniversary. Once upon a time, the Ustad went to Chicago University in America to teach music. There he was proposed to stay and said that the Banaras environment would be provided to him. In reply Bismillah Khan said that why not but from where you get me the river Ganges. For the Ustad, there is no other place like Banaras. He always remembered Maa Saraswati before playing Shehnai. It was Bismillah Khan who played his Shehnai on the first independence day of India along with flag hoisting on Red Fort.

## RAHUL GANDHI

It has been an eventful day in Wayanad today, filled with amazing interactions, warm exchanges, and hearty conversations.

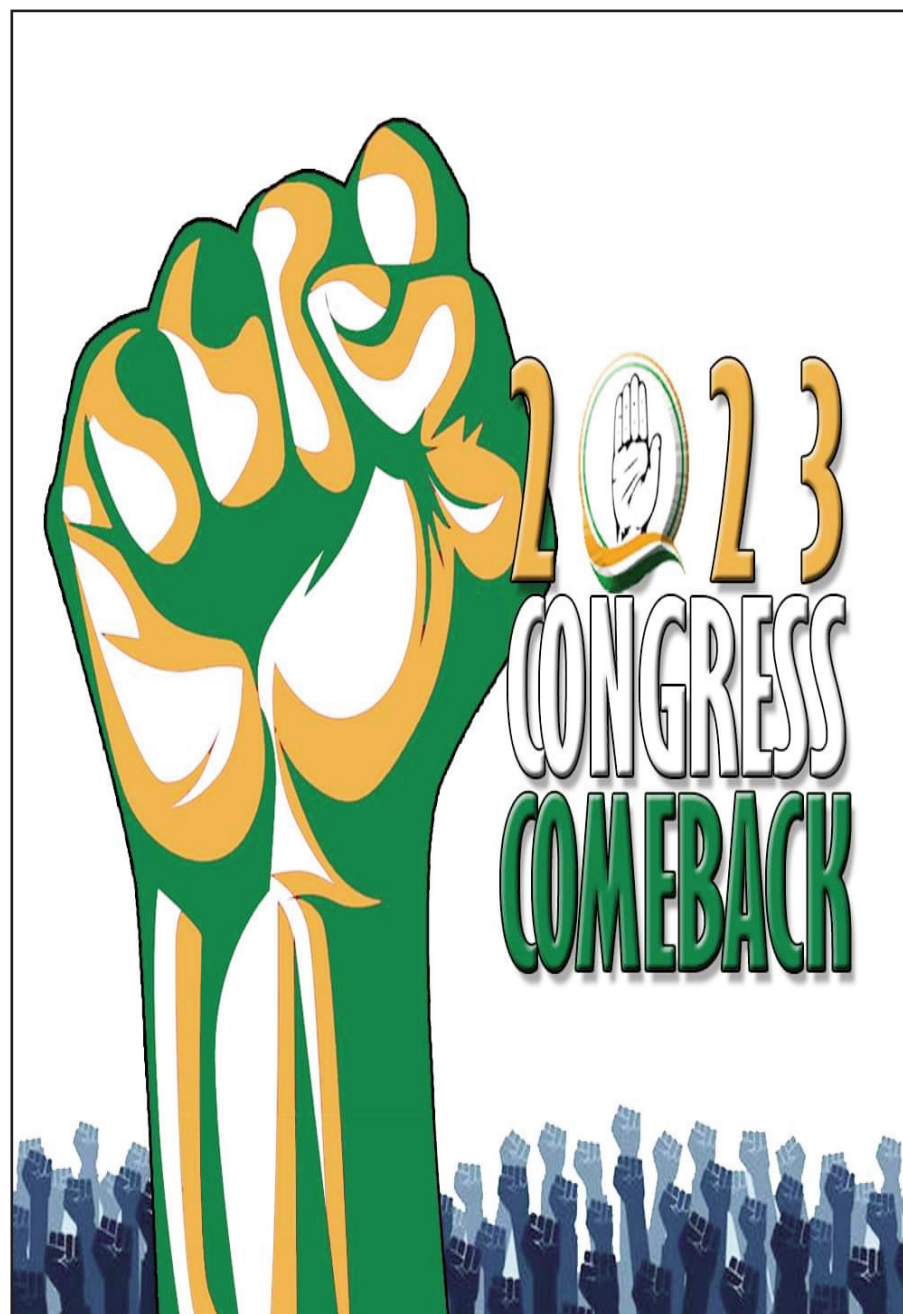

The day started off with a humbling opportunity to handover keys to the beneficiaries of houses built by Bangalore Kerala Samajam, in Muttill. The collective work done by the leaders, civil society, and the people of Wayanad to help the most distressed sections, through thick and thin, is a beautiful expression of how we are all part of one big family.

The loss of VV Shareef ji, a hardworking auto driver from Wayanad who had given me an insight into the struggles of working—class during a visit to April 2021, had troubled me deeply. I found some solace today meeting his family and offering my heartfelt condolences.

The day progressed into insightful interactions, in Kalpetta, with Wayanad's elected UDF LSGI members, and the staff of Fathima Mata Mission Hospital who were celebrating a Golden Jubilee Year.

The day came to a perfect end with a heartwarming engagement with the students and staff of Jawahar Navodaya Vidyalaya. The twinkle of curiosity I saw in the eyes of the children here affirmed me of the country's bright future.

I have always said, coming to Wayanad is like coming home. To work for the betterment of my people here will always be a top priority. I will be back very soon!

## The House has Been Adjourned Again

**PATNA: CONGRESS DARPAN**

Again on 21st March the House has been adjourned for two times. The Honorable Speaker permitted to speak the opposition leader Shri Mallikarjun Kharge. The BJP party was shouting in the house continuously. And finally the house has been adjourned. Priyanka Gandhi Vadra said on twitter—

"It is first time in Indian history that to cover the corruption the government is not letting the parliament to be on. Whatsoever way the Modi government is escaping from the topic of Adani fraud and investigation it proves the government is involved itself in it. All opposition parties again today demanded the JPC."
