

"INTERESTING CONVERSATION": RAHUL GANDHI SHARES VIDEO OF TRUCK RIDE ON HIGHWAY

PATNA: CONGRESS DARPAN

New Delhi: Congress leader Rahul Gandhi on Monday shared a video of his overnight "yatra" with truck drivers and the conversations he had with them while travelling on the Delhi—Chandigarh highway.

Rahul Gandhi undertook the journey last Monday from Delhi to Chandigarh to listen to the problems faced by truck drivers.

Donning his trademark white T—shirt, Mr Gandhi, in the video, is seen sitting inside a truck, travelling with a driver and speaking to drivers at a dhaba.

"Interesting conversation with truck drivers in six—hour Delhi—Chandigarh journey! Spending 24 hours on the road, he unites every corner of India," he said in a tweet in Hindi while sharing a 35—second video of him during the journey.

Mr Gandhi also shared the link of the complete video of his journey on his YouTube page.

Continuing his interaction with people just like during the Bharat Jodo Yatra, Mr Gandhi met and spoke with a group of truck drivers at a dhaba in Murthal on NH—44, and travelled on a truck from there to Chandigarh, while on his way

to Shimla, the party said.

During the conversation with drivers, he decided to accompany Prem Rajpoot from Firozabad, Uttar Pradesh in his truck. Gandhi had a wonderful conversation with Rajpoot and his companion Rakesh that made the six hours pass in no time, a statement from the party said.

The complete video narrates a story that three crore Indians are directly employed in the truck industry and reports suggest that every year there is a demand for

nine lakh new truck drivers.

However, according to an independent study, about 98 per cent of truck drivers, like Prem Rajpoot, a Lodhi Youth from UP, do not want their family members to join their profession. The same report also suggests most of them complained of harassment by police, and low and irregular income, the video stated.

The story that these figures reflect is the same story that was retold by the truck drivers to Mr Gandhi, who assured them that the next Congress

government will do its best to improve their plight, the party said.

Mr Gandhi has been meeting people and listening to the voice of common Indians on a regular basis.

From visiting Old Delhi and students of Mukherjee Nagar and Delhi University to taking to a BMTC Bus and Blinkit Bike ride in Bengaluru, he has actively engaged with people from various sections of society, continuing his process of listening to people like during the Bharat Jodo Yatra.

Congress Will Win 150 Seats: Rahul Gandhi On Upcoming Madhya Pradesh Polls

PATNA: CONGRESS DARPAN

New Delhi: Congress leader Rahul Gandhi today said that the party is confident of winning the Madhya Pradesh assembly elections which are slated to be held later this year.

"We had a long discussion, our internal assessment is that we got 136 seats in Karnataka, we are going to get 150 seats in Madhya Pradesh," Mr Gandhi said while addressing reporters in Delhi.

Top Congress leaders from Madhya Pradesh today met party chief Mallikarjun

Kharge and Mr Gandhi at the party headquarters over the preparedness for the upcoming assembly elections.

The meeting was also attended by the state unit chief Kamal Nath as well as the party in-charge of Madhya Pradesh, part of Congress's efforts to activate party cadres and prepare the ground for the polls.

"About 4 months are left for the elections in Madhya Pradesh. The future of Madhya Pradesh and important issues of the state were discussed in the meet-

ing," Mr Nath said after the meeting.

Earlier this week, the party said that it will contest elections in the BJP-ruled state on issues raised by the people during its former president Rahul Gandhi's 'Bharat Jodo Yatra', and not on a projected face.

Party leader Pawan Khera said that during the yatra, a foot march from Kanyakumari to Srinagar, Mr Gandhi held several conversations with people across the state and issues like price rise, unemployment, corruption and women's safety came up

through those talks. Mr Khera said that people expect political parties to take up the issues which bother them.

The BJP lost the 2018 polls in Madhya Pradesh but managed to come back to power in 2020 following the collapse of the Congress government led by Kamal Nath. The BJP is keen to win yet another term under Chief Minister Shivraj Singh Chouhan who has been at the helm since November 29, 2005, barring the period from December 18, 2018, to March 2020 when Mr Nath headed the Congress government.

Even while protesting in front of the Parliament, which stands as a symbol of justice and truth, our wrestlers got mistreated & manhandled instead of justice. It is a shame that our champions are being treated this way! I strongly condemn this act by Delhi Police and stand by our wrestlers in such oppressive times.- **DK Shivakumar**
