- Mr. Rahul
Gandhi

Happy Birthday to my sweet brother ♥ whose unique perspective on life, the universe and everything lights up the path. Always my friend, my fellow traveller, argumentative guide, philosopher and leader. Keep shining , love you the most! Priyanka Gandhi Vadra

I join crores of Indians in wishing our beloved leader Sh. Rahul Gandhi ji a very happy birthday!

Rahul ji is the undisputed leader of India's poor, marginalised and backward citizens. The voice of the voiceless, the pillar of strength for the weak, the guardian of our Constitution, the quintessential Nyay Yoddha, and India's brightest hope for a glorious future! His selfless, dedicated and passionate commitment to serving the people is an inspiration for us all and his moral compass guides us every step of the way. He has seen the toughest of times, faced the worst abuses, withstood attacks from all corners, but he has stood tall

and never wavered from his principles no matter the ridicule or insult he faces. In him today, our country has a conscience keeper and a leader who has a lifelong mission of making our country into

an inclusive, progressive and prosperous nation of all our dreams. I wish him a lifetime full of joy and the strength to fight the good fight! Rahul ji has specially instructed all Congress workers that

they should avoid any grand celebrations, and instead celebrate this occasion by engaging in humanitarian efforts, charity and in an environmentally friendly manner. KC VENUGOPAL

No ministers, legislators pressure me to change special public prosecutor in Renukaswamy murder case. I ain't even listening to all of them if they pressure me. This land law will be investigated as what it says. I'm not paying attention to the stress or the other thing. Police have been given full freedom in investigation into the case. S. P. P change proposal has never come before me. Fictional reports are now telecasting in the media regarding this. No beans in this one. Siddaramaiah

The district collector has denied that the cause of death

The news of the death of 10 people after drinking liquor in Karunapuram area of Kallakurichi district is shocking and saddening. Many others have been hospitalized for treatment. The district collector has denied that the cause of death was not counterfeit liquor. But, the affected people painfully say that they died after drinking fake liquor. On 20.05.2023 last 20.05.2023 in Villupuram, Chengalpattu district 22 persons died after drinking adulterated liquor and another similar tragic incident took place within a year. Continuously in Villupuram and surrounding areas; Brewing counterfeit liquor and selling it leads to loss of life. The government should crack down on those who brew and sell counterfeits with an iron hand. The district administration should act with awareness to prevent such incidents from happening in the future. I express my deepest condolences and sympathies to the families of those who lost their lives due to consumption of adulterated liquor. I request the Government of Tamil Nadu to provide high quality treatment to those undergoing treatment in the hospital and to provide adequate compensation to the affected families.
