

# YOUTH MUST BE THE FOUNDATION OF NATION BUILDING :CONGRESS

**PATNA:CONGRESS DARPAN**

New Delhi: Dreams, aspirations, anxieties and distress — I could perceive this mix of emotions in the conversations I had with Karnatakals youth during the Bharat Jodo Yatra. The most palpable was a sense of betrayal. BJP's 'Trouble Engine' govt has destroyed the future of our youth. Their pursuit of corruption and power has blinded them to the plight of our youngsters and the absolute need of creating jobs and opportunities to secure their future. Instead of devising plans to fill up 2.5 lakh govt jobs, they were busy engineering scams to mint money from job postings and recruitments. Instead of focusing on creating opportunities for our youth in the private sector, they were busy collecting k40% Commission!

Youth must be the foundation of nation—building. And that is exactly what the Congress govt in Karnataka Guarantees.

Along with Yuva Nidhi — ?3000 to every unemployed Graduate and ?1500 to every unemployed Diploma—holder, it will be our top priority to create new jobs, fill existing vacancies, and ensure access to opportunities.

Nothing less will do justice to the extremely talented youth of Karnataka. We will deliver justice. That is my Guarantee to you!

## THAT BJP IS VERY TACTFULLY LINKING BAJRANG DAL WITH BAJRANG BALI AND INSULTING MAHAVEER HANUMAN: DR AKHILESH PRASHAD SINGH

PATNA: CONGRESS DARPAN

**PATNA:** the president of Bihar Congress Committee Dr Akhilesh Prashad Singh brutally attacked on Bhartiya Janta Party and Bajrang dal. He said that BJP is very tactfully linking Bajrang Dal with Bajrang Bali and insulting Mahaveer Hanuman. Bajrang Dal is known for its bad deeds and that's why it's important to ban it and only Congress can counter Bajrang Dal which the Congress will definitely do. Dr Singh said and added that Sardar Patel had banned Rss in 1948. Dr Singh was speaking on the occasion of 134th birth anniversary of A B Hardiker, the founder of Congress Seva Dal. The programme was organised at Sadakat Ashram, congress party headquarters in Patna.

It was on this date in 1923 that AB Hardiker founded Congress Seva Dal in 1923. The importance of sevadal can be realised through the fact that it was Bharat Ratna Pt. Jawaharlal Nehru, the great freedom fighter and the first Prime minister of Independent India who was made the President of Seva Dal. Sevadal is known for its selfless services and the volunteers of seva dal believe in silently doing services and making sacrifices. Their services and sacrifices are our assets.

The former minister and senior Congress leader Kripanarh Pathak was the distinguished guest on the occasion. The incharge of Bihar congress Seva Dal Afroz Khan, Chief organiser Dr Sanjay Yadav, the president of seva Dal youth Brigade Aditya Kumar Paswan, Narayan Kumar Devraj Suman and Bipin Jha were present on the occasion.

# KARNATAKA WILL NOT JUST ELECT A CONGRESS GOVERNMENT ON MAY 10TH, IT WILL

## PATNA:CONGRESS DARPAN

**New Delhi:** Karnataka will not just elect a Congress government on May 10th, it will also show the way to rest of India.

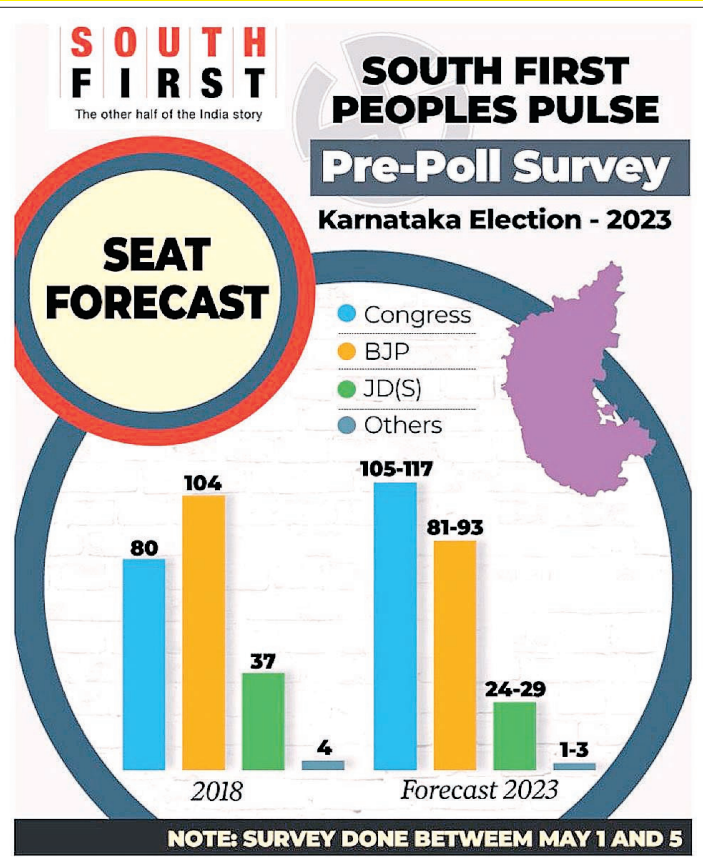

Survey after survey is predicting a wave for the Congress Party, with an overwhelming majority. It is clear the Kannadigas are sick and tired of the 40% Commission BJP Sarkara.

The 5 Guarantees of the Congress Party have reached every household and there is huge support for them.

Congress Party's rallies and roadshows are drawing people in large numbers, compared to the lacklustre and scantily attended BJP's events including Prime Minister Modi's own roadshows.

The BJP has nothing to offer to Karnataka, promises remain unfulfilled. PM Modi and the other BJP leaders have refused to speak about the scam ridden 40% Sarkara, corruption, unemployment and back breaking high prices. They are constantly looking for excuses to insult, polarise and divide the people.

But despite every desperate attempt of the BJP and its leadership to distract attention away from the main issues — Karnataka has decisively made up its mind.

However this frustration of the BJP is evident in the blatant lies and dirty tricks. PM Modi had nothing to offer and kept crying about himself all throughout the campaign. Home Minister was heard saying there are no people in his roadshows and he even threatened Karnataka of riots if BJP isn't elected, conveniently forgetting Manipur that's burning has a BJP

Government. BJP President JP Nadda even threatened to devoid Karnataka of PM's blessings — has he forgotten in a democracy it is the people who bless politicians and not vice-versa?

BJP has stooped to an unimaginable low where one of its leader, who happens to be PM Modi's blue eyed boy was heard plotting to assassinate Congress President Shri Kharge and his family.

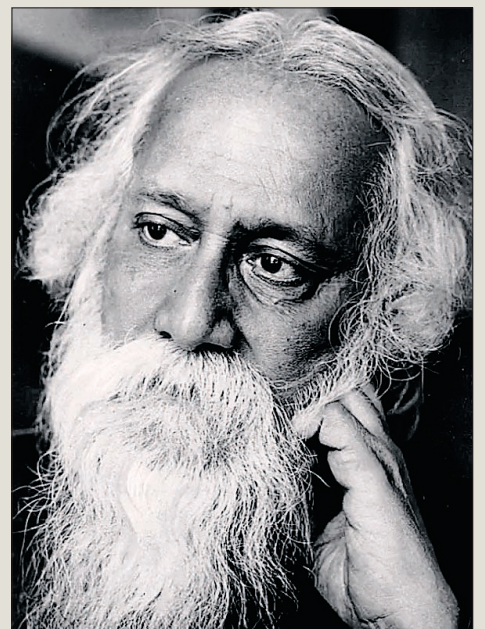

But no matter what diversionary tactics the BJP tries, the truth is that the BJP Govt in Karnataka is the most CORRUPT Govt in HISTORY. It has LOOTED Rs. 1,50,000 crore in the last four years and have robbed the savings of people with high prices. Its 150+ seats for the Congress Party and that is what has FRIGHTENED the BJP, its leaders including Prime Minister Modi.

Today's Road rally with our KPCC President D K Shivakumar sir, our MLC Naryan swamy sir & our upcoming MLA D K Mohan Babu sir with regards to support our candidate Mr D K Mohan Babu sir from K R Puram Constituency for this upcoming election.

Regards, Elizabeth Chandh C A, Social Media Secretary, K R Puram block

**Remembering the great poet, philosopher and social reformer, Nobel Laureate, Gurudev Rabindranath Tagore, on his birth anniversary. He gave India its national anthem, and contributed immensely to our literature and music. He continues to inspire us to build a more inclusive and harmonious India.**

The whole town of Mahadevapura was on the streets to welcome @priyankagandhi ji and join in this campaign to drive out the 40% Sarkara from Karnataka. PM Modi speaks of terror, but the real terror in Karnataka is of this corruption, coupled with soaring prices and no jobs for our youth! The Congress's 5 Guarantees are resonating with everyone, especially the fellow sisters who Priyanka ji spoke to about the Gruha Lakshmi and Shakti schemes. Our progressive women empowerment agenda is winning hearts and the people are seeing the difference between us and the corrupt BJP.

History will be made on May 10. #CongressWinning150

Had an interesting chat with Gig workers and delivery partners of Dunzo, Swiggy, Zomato, Blinkit etc at the iconic Airlines Hotel in Bengaluru, today, and got an insight into the lives of these youngsters, why they took up these jobs, and what their working conditions were like.

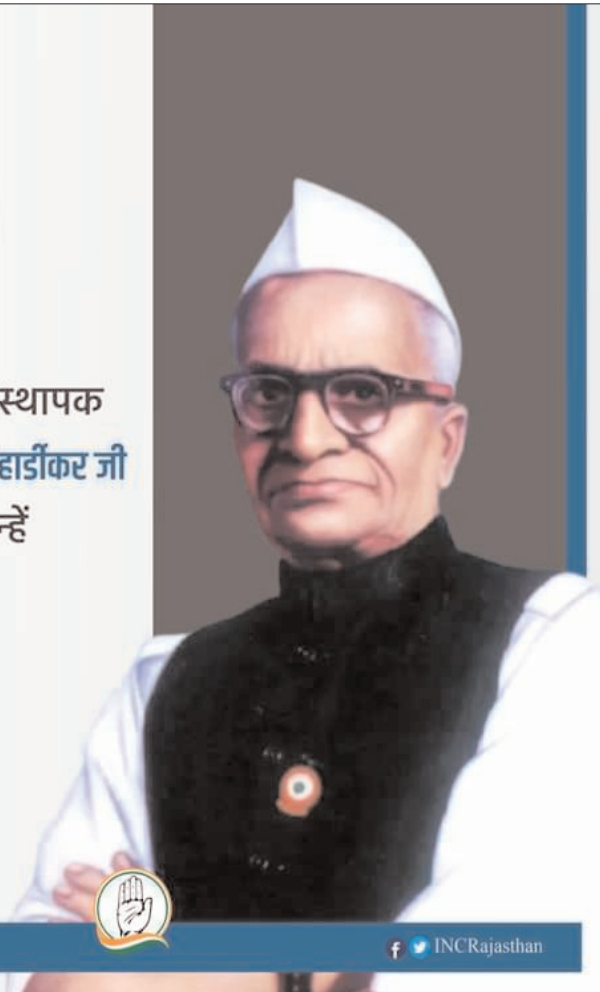

## Beku, Beku, Beku ——— Badalavaneyu Beku!

A wave for change has gripped Karnataka. Kannadigas are pouring onto the streets against BJP's k40% commission, 100% corruptionl, and for Congress' 5 Guarantees.

Rahul Gandhi ji had a candid conversation with gig workers and delivery partners of Dunzo, Swiggy, Zomato, Blinkit etc at the iconic Airlines Hotel in Bengaluru, today. Over a cup of coffee and masala dosa, they discussed the lives of delivery workers, lack of stable employment and rising prices of basic commodities. He also keenly listened to why these youngsters had taken up gig jobs, and what were their working conditions were like. Bengaluru alone has 2,00,000+ people doing gig jobs. The Congress party has made specific promises for them in their Manifesto, mainly:

1. To set up a Gig Workers' Welfare Board with a corpus of ₹3,000 crore
2. To ensure minimum hourly wages for gig workers and other workers in the unorganised sector

Rahul Gandhi ji later hopped onto the pillion seat, chatting with a delivery partner about the consequences of BJP's corruption—ridden '40% Commission Sarkara', and the Congress party's 5 Guarantees.
