Rahul Gandhi has courageously, without an iota of doubt or fear called out the authoritarian regime and has pulled the mask off the Modi gov. His courage rattles those in power. But no amount of persecution at the hands of the ED, the police, cases and punishment can deter Rahul Gandhi. He will continue to fight for the TRUTH. Shri Gandhi will take legal recourse against the Surat Court Judgment. We will fight and win against the oppressors and TRUTH shall prevail.

## Aye Talwar Tujhe Jhukna Hoga...

PATNA: CONGRESS DARPAN

Indian national congress spokesperson Supriya Shrinete attacked on Modi government. She said that why the whole mechanism, whole government, all resources, the phase magnet media, all agencies of government, and the Honorable prime minister himself are busy in making a single person silent. She said ferociously to the BJP government that if you think that who you want to make silent will be shut up then you are on the wrong track. He is Rahul Gandhi and Gandhi is never scared of anybody. Gandhi fights for the truth with whole passion and strength. Why are you scared I know because Rahul Gandhi has removed the robe from your real face in just a moment. Rahul Gandhiji is asking questions about Adani. He asks that why don't you launch JPC against Adani. He asks that why did SBI and LIC invest money on Adani. He asks that why your foreign policy was trying to give contract to Adani. He asked that what is your role in making a path for Adani from number 609 to 2. He asks that what is the relation between you and Adani. You don't have the answers of these questions. You are running

away from Parliament. You are adjourning the sessions, making the mic mute and making the Parliament mute too. She said that he is Rahul Gandhi and he will fight for the truth with all strength and efforts. What is the problem with you that he called Nirav Modi, Lalit Modi and Mehul Choksy frauds. That Nirav Modi and Mehul Choksy who flew away defalcating fourteen thou-

sand crore rupees respectively. And you were the mute spectator. You are befooling the public that you will get them back. For last nine years you are in the government and punishment is being given to Rahul Gandhi. But you might have listened that truth can be disturbed cannot be defeated. You try best to disturb Rahul Gandhiji more and let your mechanism run behind him at least the

country should know that how the dictatorship of this country is being mad and nervous. And in the end, I will speak only one line about Rahul Gandhiji  
"Hum parvane hain maunt samaan,  
Marne ka kisko khauf yahan,  
Aye talwar tujhe jhukna hoga,  
Gandan ne bagawat kar di hai".

Ramadan has been blessed, may Allah guide us all to fast in this month as well as to engage in Taraweeh prayers and recitation of the Holy Qur'an during the day, night, day and night. The situation of the Muslim Ummah country, some politicians who have created an atmosphere of hatred in the country just to stay in government, let us all pray to Allah in this blessed month. The atmosphere of this blessed and merciful month should be transformed into mutual love, and by the way, drown all the people in the earth, who have the impure intention of ruining the country in their hearts!
