## Bihar Pradesh Congress Sevadal took a pledge to celebrate August Kranti Diwas

### PATNA: CONGRESS DARPAN

Bihar Pradesh Congress Sevadal meeting was held on Sunday at State Congress Office Sadakat Ashram Patna under the joint chairmanship of Bihar Pradesh Congress Sevadal Incharge Afroz Khan and State Chief Organizer Professor (Dr.) Sanjay Kumar.

Bihar Pradesh Congress Sevadal Incharge Afroz Khan said that we should always remember those brave soldiers. On 9th August 1942, Gandhiji gave the slogan of Quit India at Azad Maidan in Mumbai. Today's situation is also becoming somewhat similar in the country.

Khan said that the Modi government is responsible for such situations. Petrol—diesel, LPG, edible oil, pulses are becoming out of reach of the common man due to NEET paper leak, Hathras incident, wrong policies of the government, dictatorship. Modi government has ruined the country by implementing policies like unrest in Manipur, BJP's conspiracies to defame the farmers' movement. Therefore, Seva Dal will organize a program in the form of "Modi Pad Chhodo" Kranti Diwas. In the meeting, on the instructions of All India Congress Seva Dal, there was a discussion on making the dharna and demonstration organized against the rising

inflation, uncontrollable increase in the prices of petrol—diesel and food items successful. Seva Dal workers took a pledge to make the movement successful and emphasized on ensuring their participation. The workers said that by expressing strength, they will warn the central government that Congress Seva Dal is still active. If they try to show their eyes to Congress, we will answer them with full force. The members present appealed to the Central Government to immediately control inflation. Immediately

## Srinivasan's birthday celebration by the Tamil Nadu government as an annual festival is very welcome

When Ayodhya started converting to Buddhism for the social emancipation of the oppressed Scheduled Caste people against the hierarchical society of India, when alternative discourses such as Dravidian and Adi Tamils were put forward against the caste caste caste, Dewan Bahadur Dummalalai raised his rightful voice by saying, "Whatever name they were insulted by, they should be elevated by that name. Srinivasan's birthday celebration by the Tamil Nadu government as an annual festival is very welcome. Dummalalai Srinivasan was the pioneer of revolutionary alternative thinking to protect the rights of Scheduled Tribes. A fellow warrior of Ayodhya, who taught Tamil to Mahatma Gandhi, served as a member of the Madras Provincial Assembly since 1920, and who accompanied Ambedkar as a representative of the Scheduled Tribes in the Round Table Conference, is a man of lasting fame in history. No one

can forget that it was Grandfather Dummalalai Srinivasan who laid the foundations for the decision in 1923 in the then Madras Provincial Cabinet to call the people of the Panchama division by the name Adi Dravidar. Adi dedicated his life for the rights of Dravidians during those times. A social reformer. Excellent lawyer. He founded the Paraiyar Mahasabha and ran a magazine called 'Parayan'. He participated in the first self-esteem conference held at Chengalpattu in 1928 and gave rare advice. On the birth anniversary of Grandfather Dummalalai Srinivasan, we will take a slur on the birth anniversary of Datta Dummalalai

Srinivasan to take the view of the need for those symbols to the future generations, to demand the communal representation that we should get with those symbols, to demand equal share in reservation, employment, and governance. It is very worrisome that even after 75 years of India's independence, the scheduled people have to fight for equal rights, equal opportunities and equality. Hindu Mahasabha, RSS Ideologically, the main party ruling the Union government, the BJP, has adopted the Varna Shiram policy. Because of its acceptance, it continues to practice anti-Dalit policies. Prime Minister Modi tried hard to use the

name of legal genius Dr. Ambedkar in his favor because Dalit vote bank is needed to win the elections, but that attempt was unsuccessful. BJP Dalit people across the country have rejected BJP in the last Lok Sabha elections and proved that it is an anti-Dalit party. In the state of Uttar Pradesh, they have learned their lesson in the Lok Sabha constituencies including Ayodhya. Through this, Mr. Ayodhitasa, Dummalalai Srinivasan, Dr. B.R. There has come a time when people like Ambedkar lived for whatever purpose, they traveled the path they showed and fulfilled it. Mr. Mallikarjun Kharge, who belongs to the Dalit community as the President of the Indian National Congress, and I, who has assumed the leadership role in Tamil Nadu, would like to give a memorial gift to his grandfather Dummalalai Srinivasan on his birthday. Let the fame of Grandfather Dummalalai Srinivasan shine and shine.
