Chandra Shekhar Azad, who dreamt of a free India, gave a tough challenge to the British & embraced martyrdom. Today, on his death anniversary, we remember a fierce revolutionary leader who inspired millions & continues to inspire nationalism in our hearts.

There has been a tremendous self-belief in the party ranks after the success of the Bharat Jodo Yatra. Now, the time has come to translate that into a new energy and drive all the way towards the 2024 elections.
