BIHAR PRADESH CONGRESS SEVA DAL SADAKAT ASHRAM PATNA-10

Congress President Mallikarjun Kharge said : NDA government was formed by mistake, will not last long

New Delhi. Congress President Mallikarjun Kharge claims that the NDA government will not last long and it can fall anytime. Kharge said that the Bharatiya Janata Party is having a lot of trouble in keeping its allies united.

Speaking to the media in Bangalore, Mallikarjun Kharge said that 'NDA government was formed by mistake. Modi ji does not have the mandate, it is a minority government. This government can fall anytime. He said, 'We want this to continue, it should be good for the country, we should work together to make the country strong.'

It is worth mentioning that the majority figure in the 543—member Lok Sabha is 272, but the BJP was far behind the majority figure and could win only 240 seats. In such a situation, the BJP is dependent on the allies of the NDA alliance to form the government. These include TDP which won 16 seats, JDU which won 12 seats, Eknath Shinde's Shiv Sena (7) and LJP (5).

JDU has hit back at Kharge's statement and asked him what was the score card of their Prime Minister when Congress formed the coalition government? Let us tell you that in the 1991 Lok Sabha elections, Congress had also won the same number of seats as BJP has won in 2024. Without any clear majority, Congress had formed a minority government under the leadership of PV Narasimha Rao. However, PV Narasimha Rao had converted his minority government into a majority government in just two years by breaking the smaller parties.

The inauguration of **Ochirakali** was held in the presence of the Parabrahmakshetra

Ochirakali is a famous historical ritual that evokes the fighting spirit of the warriors of Onnatukara and evokes the history and culture of our country. As for me After being elected to the Parliament, it was the first public event to be attended in the constituency. The inauguration of Ochirakali was held in the presence of the Parabrahmakshetra, which has been worshiped by people of various castes and religions since ancient times and is equally relied upon by people of all religions. Over 540 Kalari Sangams from 52 countries will be a part of Ochikali after completing

ritualistic Kalari Puja and training. From three-year-old children to 90-year-olds, they enthusiastically line up on the battlefield as part of Ochirakali. The culture department should be ready to give more importance and help to Ochirakali. As a representative of the people, efforts will be made to include Ochirakali in the first list to receive the help of the culture department. The organizers of this event who organize Ochirakali on Mithunam 1st and 2nd dates every year without any interruption by fully understanding the sentiments of the local people deserve special appreciation.

The gang, which was looking for the couple who had married the caste rejection, entered the office of the Tirunelveli district committee of the Marxist Communist Party and carried out a violent attack. Items including table, chair, glass have been smashed. Communist comrades in the office were also attacked. Police have arrested 10 people involved in this attack. However, the masterminds of the attack are yet to be arrested. I request that they be arrested immediately. It is shameful that even after 75 years of independence, caste denial marriages are subjected to murderous attacks.
