

# New 10 Reasons to #End40PercentSarkara

**PATNA: CONGRESS DARPAN**

- 1) Immoral BJP used "Operation Kamala" to illegitimately form the government in 2019. Pages fall short to chart out the corruption and scams of the BJP in the last 3.5 years of governance.
- 2) The infamous 40% Commission Sarkara looted more than Rs. 1.5 lakh crore rupees of honest tax—paying citizens.
- 3) Nothing is affordable under the insensitive BJP gov-

- ernment; the prices of Milk, Curd, LPG Cylinders, and Petrol prices have skyrocketed, hurting the common man's pocket.
- 4) BJP promised to double the farmer's income but instead pushed Karnataka into second spot in farmers' suicides.
- 5) Neither the 2 crore jobs promised by the BJP gov't nor the 2.5 lakh jobs promised by the State BJP gov't has seen the light of the day. Bribes for jobs are the BJP's model of employment.

- 6) The corrupt BJP gov't capitalised Covid for looting money when people gasped for oxygen and beds. Leaving the people helpless and the state in a 5.18 lakh crore debt.
- 7) The 40% commission Sarkara robbed poor students of eggs, shoes and socks pushing 10.12 lakh students out of school.
- 8) Under the BJP rule in Karnataka, economy has crumbled and industries have vanished. The state's debt has doubled to Rs. 5 lakh crore.

- 9) Karnatakals capital, Bengaluru is in shambles. BJP has turned the capital city into a garbage city and the IT capital into a drug capital. The gov't's failure to fill the pot-holes has led to the loss of several lives.
- 10) Bhrashta Janata Party betrayed Kannadigas by failing to fulfil 90% of their manifesto promises.

## Commission

**Congress President Shri Mallikarjun Kharge chaired the first meeting of AICC Observers for the upcoming Karnataka elections.**

**Senior leaders, including Gen. Sec (Org) Shri K.C. Venugopal, Karnataka in-charge Shri Randeep Singh Surjewala & KPCC President Shri DK Shivakumar attended the meeting.**

There are 26 BJP MPs from Karnataka in the Lok Sabha, but they are often found absent. They talk about how to undermine the pride of Karnataka & do not comment on many important issues related to the state. Their agenda seems to be solely focused on collecting a 40% commission.

31 people from Karnataka belonging to the Hakki Pikki tribe are stranded in Sudan, which is troubled by civil war. They are without food and water. Given this grave situation, it's the duty of any leader to draw the attention of the foreign minister. Former CM Siddaramaiah ji asked the Foreign Minister of India to look into the matter. However, the reply he received was filled with arrogance, rage and hostility towards the people of Karnataka.
