"Welcome Nehru's daughter!"

I was extremely happy to hear the sweet news that a statue of former Indian Prime Minister Indira Gandhi will be erected in Chennai at an estimated cost of 50 lakh rupees through an announcement in the Tamil Nadu Legislative Assembly. With this announcement, the long time dream of the nationalists has been fulfilled today. For this, on behalf of the Tamil Nadu Congress, I would like to express my sincere gratitude to the Chief Minister of Tamil Nadu Mr. M. K. Stalin. Mother Indira Gandhi served as the Prime Minister of India for 16 years and raised the pride of our country on the world stage. He dedicated his life as a freedom fighter and for the poor, poor, oppressed and minority people. He is very loved by the people of Tamil Nadu. During the 1980 Lok Sabha elections held during a trying period in Indian politics,

a large public meeting was held on the Chennai beach saying, "Welcome Nehru's daughter!" Bring stable rule!" Mother Indira Gandhi was called by

Muthamizharinagar artist in the words of the timeless epigraph. It is very appropriate to erect a statue of former Prime Minister Indira Gandhi, who was called the

Iron Lady of India, in Chennai. This is to add glory to the fame of Indra who created heroic history. Chairman Mr. Selvaperunthagai, M.L.A.

The message from Manipur is crystal clear - we need peace and we reject the BJP whose double engine government is single-handedly responsible for bringing anarchy to the state. Mallikarjun Kharge ji and Sh. Rahul Gandhi ji and pledged to vociferously speak for its return to normalcy in Lok Sabha.
