BIHAR PRADESH CONGRESS SEVA DAL SADAKAT ASHRAM PATNA-10

JANNAYAK

Seva Dal workers should play an important role in making the Jan Akrosh March successful: Dr. Sanjay

Seva Dal calls for participation in the Jan Akrosh March of India Alliance against the poor law and order situation in Bihar

PATNA: CONGRESS DARPAN

Seva Dal workers should join the India Alliance's Jan Aakrosh March on July 20 in all the districts of the state with full enthusiasm against the unbridled and poor law and order situation in Bihar state under the NDA government and the free hand given to crime and criminals. In the light of the letter issued by the State Congress President

Dr. Akhilesh Prasad Singh regarding this march, Bihar State Seva Dal President Dr. Sanjay Yadav issued instructions to Seva Dal workers. Giving information to this effect, Bihar Pradesh Congress Seva Dal President Dr. Sanjay said that State President Dr. Akhilesh Prasad Singh has issued a letter and directed that on July 20, a public outrage march will be taken out in all the district head-

quarters under the banner of India Alliance. In this outrage march, a memorandum will also be submitted to the District Magistrate regarding the deteriorating law and order situation in the state. All the workers of Seva Dal will participate enthusiastically in this public outrage march and will give an ultimatum to the autocratic government of the state to establish the rule of justice and law.

Held a meeting with senior leaders from Maharashtra Congress in Mumbai, to chalk out our strategy for the upcoming Assembly Elections. Our alliance had a formidable performance in the recently concluded Lok Sabha elections, and I am confident that we will build on that momentum to unseat the corrupt, illegal NDA government and bring a pro-people regime in Maharashtra!

Today, the delegation of Indian Overseas Congress England and Europe paid a goodwill visit to the Tilak Bhavan office of Maharashtra Pradesh Congress Committee. I welcomed them and accepted their honour. Mr. General Secretary of Europe in this delegation. Mohamed Irshad, England office bearer Mr. Vicky, Mr. Chinmay, Mr. Ashir Rehman was included. This time along with regional spokesperson Mr. Madan Jadhav, City President of Nashik Congress Committee Shri. Akash Chazed was present.

Today I held a meeting and spoke with the leaders of the area around Channapatnam, where the Congress recently joined from various parties. A large number of BJP-JDS workers and leaders are joining the Congress party from different parts of the state. Congress has implemented many schemes for the welfare of every class. The number of people joining our party is increasing after appreciating the programs of the pro-people government. Everyone should work hard for the prosperity of the party and develop good leadership qualities. Good luck to all the new workers.

Participated in the Government Employees Union Convention, Workshop and Pratibha Puraskar for SSLC and PUC students, Sevaratna awarding ceremony and Sarva Members General Meeting held today at Channapatnam Government Boys' Pre-Graduation College ground. We all work in a democratic system, the pillars of which are the Legislature, the Executive, the Judiciary and the Press. Accordingly, government employees are the strength of the administrative system. We have implemented the 7th Pay Commission recommendation as per their demand. This will benefit the government employees of the state and we have kept our promise. God neither blesses nor curses, He only gives opportunities. What matters is how we maintain it. Success is not someone's property, success comes only through perseverance and courage. Our government will strive for the prosperity of all and said that development is our main mantra.

Demanding the immediate return of the country boats and powerboats in the possession of Sri Lanka, demanding the release of the fishermen arrested and imprisoned by the Sri Lankan Navy, demanding appropriate compensation from the Tamil Nadu government to the damaged boats, and condemning the repeated arrests of fishermen while fishing, damaging and confiscation of their boats, I participated in a massive protest demonstration held in Rameswaram on behalf of the Tamil Nadu Congress Committee, demanding an end to the court punishment against our fishermen and condemning the Sri Lankan Navy for abusing Indian fishermen. The last 10 years of BJP

The last 10 years of BJP. The news is constantly coming out that train travel is being victimized by series of accidents under the regime. Three people died and more than 60 passengers were seriously injured after an express train derailed in Uttar Pradesh yesterday. Independent India has never seen anything like train wrecks in the last 10 years. On March 20, 2015, 34 people died when the Janata Express derailed between Dehradun and Varanasi. On November 20, 2016, 150 people were killed in a major train accident at Bukhrayan near Kanpur. On January 22, 2017, 39 people lost their lives when 8 coaches of the Hiragut Express train derailed in Vijayanagar district, Andhra Pradesh. On August 19, 2017, 23 people died in a train accident in Muzaffarnagar, Uttar Pradesh, on its way to Haridwar. In June 2023, 293 people died in the Balasore Coromandel Express train accident. According to the statistics of the National Crime Records Bureau, 2 lakh 60 thousand people have died in various train accidents in the last 10 years. This shocks us a lot. What is the cause of such train accidents? Who is responsible? Union BJP to prevent train accidents from happening again. What are the precautionary measures taken by the government? Due to the lack of action, the railway sector has deteriorated during the last 10 years of the Modi regime. Many reasons can be attributed to how the world's largest infrastructure, the Indian Railways, has sunk into the abyss during the last 10 years of the Modi regime. By announcing luxury trains like Vande Bharat, Bhawala is pretending to make a big leap. Vande Bharat is a scam. A 20 percent surcharge is being charged for an hour's delay. Vande Bharat coaches are very poorly made. Many of the boxes are damaged by now. The Railway Department does

not respond to any complaint in this regard. Although the railway sector was started during the British rule, the railway sector has seen tremendous growth in the 55 years of Congress rule since the time of Pandit Nehru, the architect of modern India. The railway sector was the pride of India and the symbol of Indian unity. But apart from the Modi government cheating by leaving fraudulent trains like Vande Bharat, no necessary facilities have been provided for the trains traveling by ordinary poor and simple people. In the last 10 years, Tamil Nadu has been cheated a lot in railway projects. No new trains have been released to Tamil Nadu. Trains like Vande Bharat, Tejas are of

no use to the common poor, poor and middle class people. Prime Minister Modi often talks about spirituality and tourism. But, nothing was done in action. There is no direct train from Chennai to Goa, India's most important beach tourist destination. The train that was stopped during the corona period was not restarted. There is no train facility to Thiruvannamalai, the most important spiritual place of Tamil Nadu. Now the passengers have left the train. I don't know when it will go away. The train does not help the devotees going to Thiruvannamalai temple in any way. With the aim of deceiving Tamil Nadu, the Modi government is putting obstacles in the way of not being able to

get loans from abroad without granting permission and allocating funds for the Chennai Metro Rail expansion projects. At least the National Democratic Alliance government headed by Prime Minister Modi should take appropriate measures to improve the railway sector and prevent train accidents from happening. In high-speed luxury trains like Vande Bharat and Tejas, unreserved coaches should be combined. The poor and the middle class should be provided with facilities to travel at low fares on par with the well-off. More high-speed trains should be run from Chennai to cities like Trichy, Madurai, Coimbatore, Nellai in less hours. Additional trains should be run from Chennai to Southern Districts. Railway lines should be improved accordingly. The pending East Coast Railway projects should be implemented immediately. The finance minister is going to present the budget in the parliamentary session soon. Last BJP Just as Tamil Nadu was neglected in the railway sector during the regime, the National Democratic Alliance regime should not engage in neglecting efforts. If they are involved in that way, 40 Lok Sabha and Rajya Sabha members from Tamil Nadu - Puducherry will raise the right voice of Tamil Nadu in the Parliament. In today's environment, train travel has become a very essential journey for the poor, poor and middle class people. In such a way that people can travel with complete confidence that no accidents will occur, accidents should be completely prevented and the facilities including toilets should be increased in the train coaches and the facilities should be improved so that the general public can travel. I warn that Modi government will incur the wrath of people if they say that they have not taken such steps. Chairman Mr. Selvaperunthagai, M.L.A

Opposition parties are trying to ink my violence to state government

SIT is already investigating the financial irregularities in Valmiki Development Corporation, the government has full hope in the SIT investigation. Opposition parties are trying to ink my violence to state government and personally. A case has been registered and investigation has been registered on the complaint filed by his wife on the day Valmiki Development Corporation's Account Superintendent Chandrashekhar committed suicide. A special investigation team (SIT) was formed to investigate the case on May 31st, including four senior IPS officers. The investigation is going on efficiently, objectively and I have complete confidence in the investigation. CBI conducted investigation on the complaint of Union Bank of India officer Mahesh, e. D is automatically conducting the investigation. SIT has already arrested 12 people in connection with the case, 34 crore rupees. The cash has taken over. Around Rupees transferred to various bank accounts. 46 crore has

been stopped. We are not saying there was no illegal in the case. The government is committed to taking appropriate action against the illegals. Members of the opposition parties presented their opinions on the issue for more than 7 hours under Rule 69. The government also has the right to express its stand, just like the opportunity that opposition parties have to express their opinion

in the parliamentary system. But the opposition doesn't need our answers, they only need political criticism. Valmiki Development Corporation's 89.63 crore rupees. The money has been transferred to MG Road account of Union Bank of India and from there to various accounts. Union Bank of India is a nationalized bank, which comes under the Central Finance Department. Proposed

on a suicide note regarding bank officials involved in this. Who should be responsible for this? Scheduled welfare minister Nagendra has voluntarily resigned for his position. Goolihatti Shekhar, his party member, had held a press conference and informed when Bhovi Development Corporation became a scam during the BJP administration. Who resigned then? When avartanidhi was looted in APMC, Devaraj Aras truck terminal scam was 47.10 crore rupees. Did Yeddyurappa, Basavaraja Bommai, who was the Chief Minister of that time resigned? E in these cases. D. Why didn't the investigation automatically take over? It has already been instructed to mandatory deposit all development corporations funds in the state treasury. The Finance Department has implemented several guidelines to bring transparency in financial management. The government will warn not to recover such cases in future.

Today the country's economic inequality is worse than the British rule. 1% of the country's population controls 40% of the country's population property. Because of which the rich are getting richer... And the poor are suffering from more poverty. Will this budget take any measures to remove this distance? "Use" is 60% of our economy. Data shows F in April and May despite decreasing prices. M. Shi. G. The sale of - is reduced to half. Vehicles worth 60 thousand crore are falling unsold. Inflation is such that even car buyers can't buy cars. India has a culture of savings. This culture is keeping our economy strong. But today we are so affected by unemployment, inflation, low income that home loans that never went above 25% of GDP is close to 41% today. Domestic loans increased to 41% of GDP, which causes domestic savings to less than 6% of GDP. Speaking of petrol and diesel, 5 big companies saved around 900 billion by buying cheap oil from Russia. But is petrol prices decreased for the public?

On July 23, 2024, Finance Minister Nirmala Sitharaman will present her seventh budget. Before preparing this budget, he met some industrialists, bankers and farmers' organizations and held discussions with them. But..

- Did he meet families who could not eat three meals a day?
- Did he meet women struggling with inflation?
- Did he meet farmers who are struggling to get fair price for their crops?
- Have you met youth suffering from questionnaire leakage?
- Did he meet the real India? It is clear that he has not met them. This budget is prepared only to enrich a few capitalists.
