**Congress' inclusive vision for a 5Star
Meghalaya will take all the people of
this beautiful state forward, together.
-Rahul Gandhi**

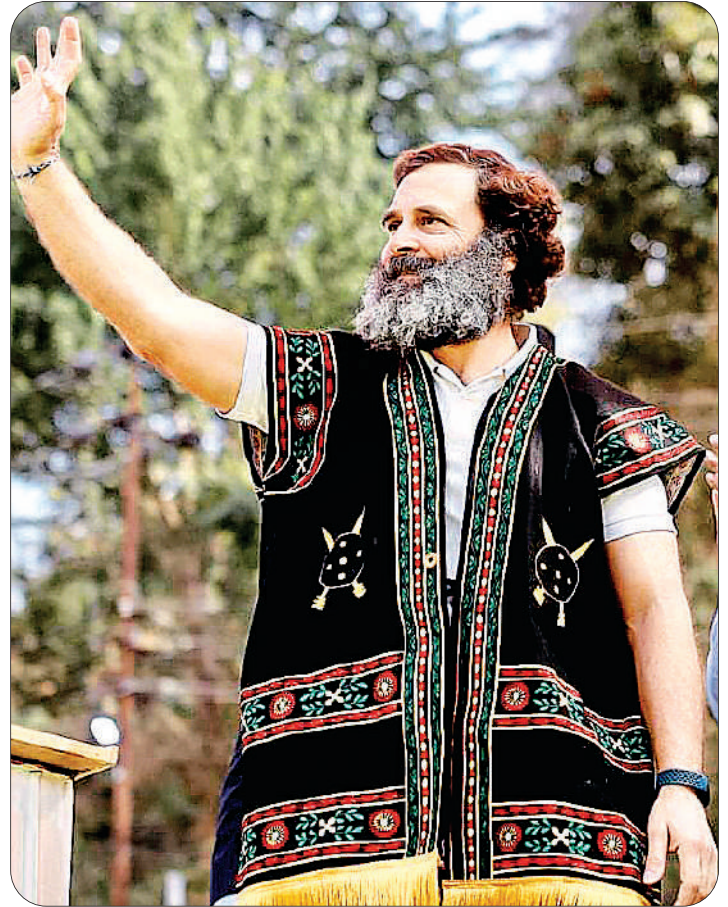

I came to Meghalaya today as a partner and a friend, with humility in my heart. As I return back now, I carry the love and affection of the people with me. Appreciating the diversity of India, respecting each other's way of life and listening to the wisdom of our people has been the cornerstone of our democracy. It is unacceptable that the cowards in the BJP & RSS are capturing the institutions of our democracy to impose their own idea on people. Like in every state, in Meghalaya too, the Congress party and I stand steadfast with the people of this beautiful state to defend their unique and rich culture, history, language and religion. We bring to you an inclusive vision. A vision where each person from Meghalaya is protected and their aspirations are fulfilled.

I asked the PM about his relationship with Mr. Adani. In a matter of years, he jumped from the 609th position to become the 2nd richest person. Whenever PM Modi goes abroad, Mr. Adani gets a gift. PM Modi has no answers.
