## Delhi University Hostel's 'Handbook' Reply To Rahul Gandhi's Sudden Visit

New Delhi: The provost of Delhi University's post graduate men's hostel on Wednesday sent a notice to Congress leader Rahul Gandhi over his "sudden" visit to the facility last week, saying "such a conduct from a leader of a National Party who has Z—plus security is beyond dignity". The two—page note sent to Mr Gandhi by provost KP Singh said the incident amounts to trespass and irresponsible behaviour, and asked the Congress leader to "cease and desist" from taking any such step in the future. The provost said Mr Gandhi's "unexpected entry" into

the premises along with three vehicles violated the prescribed rules of the hostel. Mr Gandhi visited a Post—Graduate Men's Hostel of the university on Friday, interacted with some students and had lunch with them. "The Management Committee of the Hostel in its emergent meeting held on 06.05.2023 in the presence of Dean Students' Welfare and Proctor of the University of Delhi has unanimously decided and resolved that such a conduct from a leader of a National Party who has Z—plus security is beyond dignity," the notice mentioned.

## Shocked by the news of a doctor being stabbed to death, on duty, in Kerala.

PATNA:CONGRESS DARPAN

Shocked by the news of a doctor being stabbed to death, on—duty, in Kerala. My deepest condolences to Dr. Vandana's family, friends and colleagues.

Our doctors and healthcare professionals put their lives on the line to save those of others. Repeated incidents of threats and violence against them are extremely worrying. Their safety and security must be among Govt's top priority. We cannot afford to lose kind souls and brilliant minds, like Dr. Vandana. Strong law enforcement measures to deal with the drug menace is also the need of the hour, today. Police procedures in handling de—addiction situations must also be reviewed.

Insensitive comments by Government representatives on a tragedy like this is highly condemnable. I urge the Government of Kerala, and all state Govts across India to pay due attention to this issue. We have lost Dr. Vandana too soon, but justice must prevail.

## NATIONAL TECHNOLOGY DAY

Indian National Congress | @INCIndia | www.inc.in

The All Tribal Students' Union Manipur organised peaceful rallies in all district headquarters.

However, in the Churachandpur district, a former youth president of the BJP named Barish Sharma participated in the rally with his gang and started arguing with students, creating a nuisance. This led to irritation among the tribals, and violence broke out.
