

LET ME REPEAT — INDIA IS GOING TO WIN IN GUJARAT!

The cowardly and violent attack on the Gujarat Congress office further strengthens my opinion of the BJP and the Sangh Parivar. BJP people who spread violence and hatred do not understand the basic principles of Hinduism. People of Gujarat are clearly seeing their lies. They will teach a decisive lesson to the BJP government.

TAMIL NADU BJP HAS GIVEN REFUGE TO ANTI-SOCIAL FORCES

PATNA:CONGRESS DARPAN

BJP has been in the union government for more than 10 years. Because of this, there have been serious allegations that the Tamil Nadu BJP has given refuge to anti-social forces. In this case, YouTuber and BJP were involved in the smuggling of 267 kg of gold worth 167 crore rupees in Chennai airport in two months, shocking everyone. 9 people, including a celebrity, have been arrested and the investigation is ongoing. Recently there has been a lot of gold smuggling at Chennai airport and YouTubers Sabir Ali and Prithvi who have been arrested have been running a shop selling gifts and toys at the departure area of Chennai International Airport for the past two months. By investing several lakhs of rupees and getting the permission of the Airport Authority of India due to the connection of the BJP, BCAS hired 7 people and gave them special permission to visit all areas of the airport. Passes are issued.

Also, some transit passengers from foreign countries would hide the smuggled gold in the toilet in the airport security area and inform Sabir Ali and leave. Then Sabir Ali would send the employees in his shop to hide the gold inside the employee's underwear or behind the body and bring it out and hand it over to the smuggling gang. Thus, for the last two months, this smuggling business has been going on continuously at the Chennai airport.

Sabir Ali, who was involved in the airport gold smuggling case, and Prithvi, who is a student member of the Tamil Nadu BJP, have joined the BJP. Leaders, Prime Minister Modi, Nirmala Sitharaman, JP

Photographs taken together with Natta and Annamalai have appeared in newspapers. What is Annamalai who is going to give an answer to the fact that Annamalai who has set out to eradicate corruption in Tamil Nadu has helped in the gold smuggling of 167 crore rupees? The Tamil Nadu BJP is spending lakhs of rupees on various programs by keeping the financial resources obtained through such anti-social counterfeiting channels.

Recently, the only party in Tamil Nadu who spoke in support of the NEET examination was the Tamil Nadu BJP, the only leader of which was Annamalai. When the Tamil Nadu government and all parties are fighting against the imposition of NEET exam which is ruining the future of lakhs of students in Tamil

Nadu, there are suspicions that there is some motive behind Annamalai's public support for NEET exam. The reason for taking such a patronizing position is that those running NEET coaching centers in Kongu region are making lakhs of money due to the continuation of NEET exams. They want NEET exam to be held regularly to increase their income. It is widely said that Annamalai has provided huge funds for the wish-fulfilling foot pilgrimage.

If we say that the Indian National Congress, which has a history of 139 years, and the recently started Tamil Nadu Victory League oppose the NEET exam, which destroys the medical dreams of the poor and humble students studying in government schools in Tamil Nadu, it is because it is against Tamil

Nadu. That is why we demand to cancel the NEET exam. However, it has been exposed today that Annamalai is talking about increasing the financial resources of BJP by supporting the NEET exam.

It is on the basis of such a gain that Annamalai is openly talking about the NEET exam against Tamil Nadu. By this, the people of Tamil Nadu will never forgive Annamalai, who is an enemy of Tamils and is aiding in the conspiracy to disrupt the future of Tamil Nadu students. I would like to state that it is certain that the people of Tamil Nadu will ignore BJP to the extent that it will not be able to gain a foothold in Tamil Nadu.

ATTACK ON GUJARAT CONGRESS OFFICE BY BJP WORKERS IS UNFORTUNATE AND CONDEMNABLE: DR. SANJAY

PATNA:CONGRESS DARPAN

State President of Bihar Pradesh Congress Seva Dal, Dr. Sanjay Yadav, while condemning the attack by Bharatiya Janata Party (BJP) workers on the Congress office in Gujarat, said that this proved the statement of opposition leader Jannayak Rahul Gandhi right that BJP is based on hatred and Spreads violence. Congress office in Gujarat was attacked on Tuesday and people of RSS and BJP carried out this violent attack. The people of Gujarat will teach them a lesson when the right time comes and the India alliance will win in Gujarat. The people of BJP who spread violence and hatred do not understand the basic princi-

ples of Hindu religion. The cowardly and violent attacks on Gujarat and Orissa Congress offices further strengthen what has been said about the BJP. Dr. Sanjay said that the Bharatiya Janata Party lead-

ers and workers resorted to violence and vandalized the Congress office and threw stones at the Congress workers. This clearly shows that the Bharatiya Janata Party wants to do politics only through violence and not through violence. She wants to capture power right from the beginning, but the people of India have fully understood her intention, now it is not going to last for long. They are seizing power in the country with the help of statements by spreading mutual hatred and hatred among the people in the name of religion and caste. But now they have been exposed. Their truth is coming before the people of the country. In the coming few years, BJP will become history.

Kharge is victims of heritage racism, not beneficiaries, neither took a position with the support of that system.

PATNA:CONGRESS DARPAN

State President Jagdeep Dhankar's statement that Rajya Sabha opposition leader and AICC president Mallikarjun Kharge should be replaced from the position of opposition leader of Rajya Sabha, enforces belief in humanism within him. Jagdeep's voice has come out of the mouth of RSS to establish a caste system in a constitutional democratic system. This is not an insult to Kharge, a terrible insult to the entire indigenous community. Let Dhankar know, Shri Mallikarjuna Kharge came from the community on the construction of society and achieved his own special status in the democratic system with his ability, commitment, intelligence and support of the people, Kharge is victims of heritage racism, not beneficiaries, neither took a position with the support of that system. Kharge's knowledge does not need a certificate from those who tremble a dictator as vice president and tremble a dictator.

I had to emphasise these two things to the People of India through the Rajya Sabha

PATNA:CONGRESS DARPAN

INDIA Parties walked out of Rajya Sabha because PM Modi was lying. He claims that we are against the Constitution, but the TRUTH is that BJP—RSS, Jansangh and their political forefathers had fiercely opposed the Constitution of India.

They had burnt the effigies of Dr. Babasaheb Ambedkar and Pandit Jawaharlal Nehru at that time. This is was a shameful thing and an affront to Democratic values.

The truth is that Dr. Babasaheb Ambedkar had given the credit of drafting the Constitution to the Congress party.

I had to emphasise these two things to the People of India through the Rajya Sabha.

1□ The Organiser (Nov, 30, 1949, page 3), the organ of RSS, gave vent to its ideas regarding Manusmriti: "in our constitution, there is no mention of the unique constitutional developments in ancient Bharat. Manuls laws were written long before Lycurgus of

Sparta or Solon of Persia. To this day laws as enunciated in the Manusmriti excite the admiration of the world and elicit spontaneous obedience and conformity. But to our constitutional pundits (read Ambedkar) that means nothing".

2□ Dr. B.R. Ambedkar's Concluding remarks in the Constituent Assembly on

Constitution on November 25, 1949, "I was therefore greatly surprised when the Assembly elected me to the Drafting Committee. I was more than surprised when the Drafting Committee elected me to be its Chairman. There were in the Drafting Committee men bigger, better and more competent than myself.....It is because of the discipline of

the Congress Party that the Drafting Committee was able to pilot the Constitution in the Assembly with the sure knowledge as to the fate of each article and each amendment. The Congress Party is, therefore, entitled to all the credit for the smooth sailing of the Draft Constitution in the Assembly."

ACTION WILL BE TAKEN AFTER RECEIVING THE REPORT

PATNA:CONGRESS DARPAN

While talking to the media today, he answered the questions of the journalists about the alleged malpractices in the allocation of Muda land during the previous BJP government and the recent misappropriation of funds by the Valmiki Corporation.

Misuse in allotment of Muda land or not? An investigation is being carried out to find out that, currently all plots have been kept in abeyance. So there is no loss to the government. Those who have been allotted plots are being transferred and are being investigated by senior IAS officers. Action will be taken after receiving the report.

Alleging misuse in allot-

ment of Muda land, BJP party is demanding handover to CBI. Which case was handed over to CBI when he was in power? Not given one. It is the BJP that has made the law to give an alternative site to

those who have given land. Now they themselves are calling it a scam.

What is my role in this case? R. Does Ashok dereliction of duty mean he will resign? During his time, he

was granted bail by the court when he was accused of wrongdoing. Resign it means they will give it?

The case of Valmiki Nigam has been handed over to SIT and the investigation is going on. Nagendra, who was a minister, has resigned. We resigned because it was written in the death note that the Minister had given a verbal order to the Managing Director. The CBI has taken up an investigation into the bank's affairs.

The SIT was formed to find out who all are involved in this scam. An investigation report should be forthcoming. A charge sheet should be filed against them. How to take action without it?

POINTING OUT THIS, UNION SURFACE TRANSPORT MINISTER NITIN GADKARI WAS MET IN DELHI AND SUBMITTED A PETITION TODAY

PATNA:CONGRESS DARPAN

There are many problems related to the national highway in Alappuzha Lok Sabha constituency. Pointing out this, Union Surface Transport Minister Nitin Gadkari was met in Delhi and submitted a petition today. Based on this, the Minister informed that Venkata Ramana, a member of the National Highways Authority, has been assigned to study the issues raised and take remedial measures. The Minister has also instructed the official to investigate the general complaints related to the reconstruction of the National Highway including in the areas like Arur - Thuravur, Cherthala, Ambalapuzha, Kayamkulam, Ochira, Karunagappalli and others and submit a report to the Ministry. The serious problems faced by local residents and commuters related to construction activities were brought to the

attention of the minister today. Kayamkulam construction work is about 50 percent progressed, so if there is any change in the existing plan, re-tender will have to be done. In the meeting, the National Highways officials took the stand that retendering would cause delay and it was not practical. But I made it clear in the meeting that the construction of an elevated road that

would cut the city of Kayamkulam into two is not acceptable. People's aspiration cannot be overlooked as popular agitations and struggles are going on in Kayamkulam. The minister has also stated that he cannot proceed by pretending not to see the problems of the local residents. Extend the length of the elevated road to be constructed at Karunagappalla up

to Vocational Higher Secondary School Junction, Pillar Elevated Elevated Road at Ambalapuzha, Extend the elevated road constructed up to Cherthala Arthunkal Junction to Ahwanam Junction, Foot Over Bridge at Mathilakam Hospital Junction, Construction of Underpass at Cherthala Ahwanam Junction and Vallail Part, Vavvakkav, Ochira to solve the traffic problems. The demands have also been raised in the discussion. Urgent intervention has been demanded to solve the traffic problems related to the construction of Arur-Thuravur elevated road and to resolve the deplorable condition of the old national highway and make it traffic-worthy. The meeting with the minister was in the presence of senior officials of the ministry and the National Highways Authority. It is hoped that the assurances given by the minister will be fulfilled quickly. KC Venugopal
