My answer in the Assembly to the discussion under Rule 69

My answer in the Assembly to the discussion under Rule 69 on grant misuse of Valmiki Development Corporation. (First part)R in the case of Valmiki Corporation. Ashok, Vijayendra have heard my resignation. Former Home Minister Arag Gnanendra has said to take back the special investigation team. Even when you are the Home Minister. Eiiiiiiiiiii. Did you say this about T? I want to hear them that. Chandrashekhar committed suicide on May 26th. He is from the Bowi community of Tamil Nadu. Opposition party has spoken thousand times as Dalit and Dalit. There is a reference of scheduled caste/class in the constitution. There is 24.1% population including both. Only if their development is developed, the wishes of equal society will be fulfilled. These communities come with economic and social power. Until there is inequality, equality is not possible. Even after 70 years since the constitution came, equality has not been found. We all have the responsibility to fix this. Thus many development corporations including Valmiki,

Bowi, Adijambhava, Minority Development Corporation have been started. The aim of all these corporations is to make the Aya communities financially strong. S in December 2013. C. S. P/T. S. Our government has implemented the P Act. I made it compulsory that 24.1% of the budget development fund should be allocated for the development of this community. Opposition parties are just shedding crocodile tears. In Baba Saheb Ambedkar's speech at the Constitutional Meeting on November 25, 1949, "The Constitution is coming into effect on January 26-1950." He said in a historic speech that we are all stepping into a society with rivalry. We have agreed to democracy.

The people would have warned that they would destroy the democracy if it was not solved because there was still economically, socially inequality. S in the whole country. C. S. P/T. S. We are the ones who brought the P Act. If you have sincere concern about scheduled communities, why this act has not been implemented whether the central BJP or the states where they are in power? Only Karnataka has implemented such an effective act in the whole country for communities of Scheduled caste and caste. S in contract too. C / S. We are the only one who has imposed reservations for T communities. Why haven't BJP implemented such things yet? S. C / S. Special loan privilege to T lengths/industries, we are the ones who brought law to these communities in KIADB land issue. We are S. C / S. If they were against the T community, would they have implemented all this? We are committed to social justice as long as Congress is there and as I am there. There is no need to teach social justice from opposition parties.

In the meeting of the Congress Legislature Party held today under my chairmanship, we had a long discussion on the important issues being proposed in the session. District Congress Committee President, Deputy Chief Minister DK Shivakumar, Ministers KJ George, MB Patil, HK Patil, HC Mahadevappa, Bose Raju, Chief Minister's Political Adviser BR Patil, Chief whip Ashok Pattan, CLP secretary Allamaprabhu Patil, working president Salim Ahmed and other party MLAs were present.

Congress party national leader Shri Rahul Gandhi ji from Kanyakumari to Kashmir 1000 km. Me. The walk has conducted a great campaign to connect the country with the principles of love, brotherhood, equality, which is still moving forward today with "join hand to hand" in various ways. So, in Gujarat, Gandhi-Sardar's "Hand se hand join hands" campaign, maximum brothers and sisters are actively joining Congress party. In which occasion of Surat City District Congress Committee organized a visit program under "Hand se hand join"

Today at Gujarat University there was a rally with NSUI workers against the deteriorating education system in Gujarat. A presentation was made to Neerja Gupta, Chancellor of Gujarat University under the leadership of Gujarat Pradesh Congress spokesperson Mr. Parthivarajsinh Kathawadia. While Gujarat University had a glorious history and legacy, the current condition of the university is sad and dire. Gujarat University has only 400 seats in English Medium Grant in Ed in Faculty of Arts since last two decades while the total seats are 14500 which is only 2.75% in percentage.

Today a discussion meeting was held with the senior Congress party workers under the Laakhwa Block Congress of Samguri assembly constituency. In the meeting, MP of Dhubri Loksabha constituency Honorable Rakibul Hussain sir, MP of Nagaon Loksabha constituency Pradyut Bordoloi sir, MLA Nurul Huda sir, National Secretary of NSUI and Treasurer Tanjil Hussain along with senior Congress leaders were present.

"I strongly condemn this on behalf of the Tamil Nadu Congress"

PATNA: CONGRESS DARPAN

A one-man committee headed by retired Justice Sanduru was formed to create social harmony in educational institutions after two scheduled students were assaulted by other community students at a school in Nanguneri in August last year. The committee submitted its report on June 18 last month to Tamil Nadu Chief Minister M.K. Stalin submitted to them. Its recommendations appeared in the media.

Commenting on this, Tamil Nadu BJP. President Annamalai has personally issued a venomous comment to Judge Sanduru saying that he should join the DMK and become the Policy Propagation Secretary instead of sitting in the committees formed by the government for his own profit and submitting the policies of the DMK as a report with the people's tax money. I strongly condemn this on behalf of the Tamil Nadu Congress. Everyone knows the reasons why Annamalai is angry with Justice Sanduru.

According to Justice Sanduru, he was a student at the age of 17 when 44 downtrodden people were set on fire and murdered in Kilivenmani in 1968 and he raised his voice and fought for justice. When he started his career as a lawyer in 1976, he focused on labor welfare and rights related cases. He has the honor of arguing in court in cases of depriving people of their rights without receiving any professional fee. He advocated for the affected people with social consciousness in all the public interest cases, human rights cases, women's rights cases. In 2006 he took charge as a judge of the Madras High Court based on his sincere commitment to the legal profession. He has made a record of ruling in approxi-

mately 90,000 cases. He has given judgments in all cases with social thinking and concern. Among the judgments passed were judgments which established the rights of women to be worshipping gurus in temples, one cremation for all without caste discrimination, right to worship in temples for the downtrodden, caste and religious disobedience marriages and measures to restore panchami lands and give them to the Scheduled Castes with a social consciousness, judgments for the oppressed people for social equality. He made history by giving and getting rights. Dr. P.R. was the legal maverick

who drafted and delivered the inclusive Indian Constitution for the people of India. He implemented Ambedkar's principles as a judge with great courage. He lived as a fighter defending the features of the Constitution. Justice Sanduru, who has such historical honors, has no reason to criticize Annamalai who has a fascist tendency. Annamalai is an anti-Tamil who openly spoke on the stage as a police officer in the state of Karnataka and said that he would only speak for the Kannada people and not for the Tamils who belong to him. Tamil Nadu BJP After joining the party, a person who contested the assembly elec-

tions and lost miserably, got promoted and became the state president, it is a curse for Tamil Nadu BJP. He has succeeded in marginalizing all those who have been leading leaders for a long time in Tamil Nadu rather than the care he shows in developing the BJP in Tamil Nadu. By this he is digging a hole and burying the BJP. He is doing sensational politics by spreading slanderous mud on anyone including Justice and thereby gaining media attention. I am obliged to remind Annamalai that those who practiced such politics in the past were pushed into the abyss. It is well known that serious conflicts have occurred in the past due to the breakdown of law and order and violent frenzy in educational institutions due to expression of caste, religion and sentiments. Social, social, In such a way that concepts related to equality are given place, it is emphasized that morality classes should be held weekly and recommendations were given that educational institutions should teach with general social consciousness and not to promote diversity among students through caste symbols. It is not wrong to discuss the statement given by Justice Sanduru on the ground that such marks do not in any way help in developing academic knowledge. However, Annamalai should immediately stop making baseless accusations by instructing Judge Sanduru who gave the report. I am sending by post the book written and published by Sanduru on the basis of his judgments in the light of Ambedkar. I request Annamalai to read that book and give his opinion about Justice Sanduru with complete understanding.

Chairman Mr. Selvaperunthagai, M.L.A.

stration is going to be held near Rameswaram Bus Stand on 19.7.2024 on Friday 19.7.2024 on behalf of Traditional Indian Fishermen Welfare Association, demanding the Union Government to provide a way for fishermen to fish without any problem. No action has been taken so far on the letters written to the Chief Minister of Tamil Nadu and Prime Minister Modi. The Union Government is shirking its responsibility to restore the right of Tamil Nadu fishermen to fish without any hindrance by negotiating with the Sri Lankan Government. In order to condemn this anti-fishermanship of Tamil Nadu, I would like to request a large number of fishermen and the Congress party to participate in this demonstration. **Chairman Mr. Gu Chellaparuntagai MLA**
